

# Change the legacy of addiction in your family

The Children's Healthy Coping Skills program lets kids aged 7–13 and their caregivers develop practical tools for self-care, and learn the skills to protect themselves from the effects of addiction.

**2018 dates: February 8–11, March 15–18, June 7–10, July 5–8, August 9–12, October 18–21, and November 22–25.**

**Wright Family Health Centre, 38 Isabella Street, Toronto**

Open to all regardless of Renascent affiliation. This free program includes meals, intensive programming including group and individual counselling with our team of addiction experts, and continued aftercare.
