YOUR RENASCENT FOUNDATION DONOR NEWSLETTER

SPRING 2019

Time To Celebrate

Nearly 20 years ago, Bev, a first-time donor, was motivated to pick up the phone. Some of her family members had struggled with addiction, and she wanted to make a difference by making a donation. At the time, there was a gap between our government funding and the cost of delivering our inpatient program.. A gap that, if left unfilled, would serve as a barrier to life-saving care for an individual.

Bev gave \$1,200 because at the time, it was the gap between our government funding and the cost of delivering our inpatient program. Inspired by that gift, seven individuals — passionate about supporting and guiding individuals through recovery — gathered at the Granite Club to discuss possibilities. Soon after, the Guardian Angel Program took flight. The number of Guardian Angels grew to 12 people by the second year, and has surpassed 50 in the years since.

The face of addiction has changed dramatically in the last decade; it has become far more complex to treat, and as the opioid crisis takes hold, there is an urgency like never before. Guardian Angel gifts have continued to provide tremendous support for those needing treatment in Renascent's Programs.

In our last fiscal year, Renascent provided life-saving treatment for 1,424 persons. Nearly 900 were treated in our intensive inpatient treatment programs and of those, 588 were only able to participate because of the support of donors like our Guardian Angels.

On May 16th, we celebrate our Guardian Angels with a powerful celebration luncheon at the Granite Club, generously hosted once again by Stephen and Arlene Waymire.

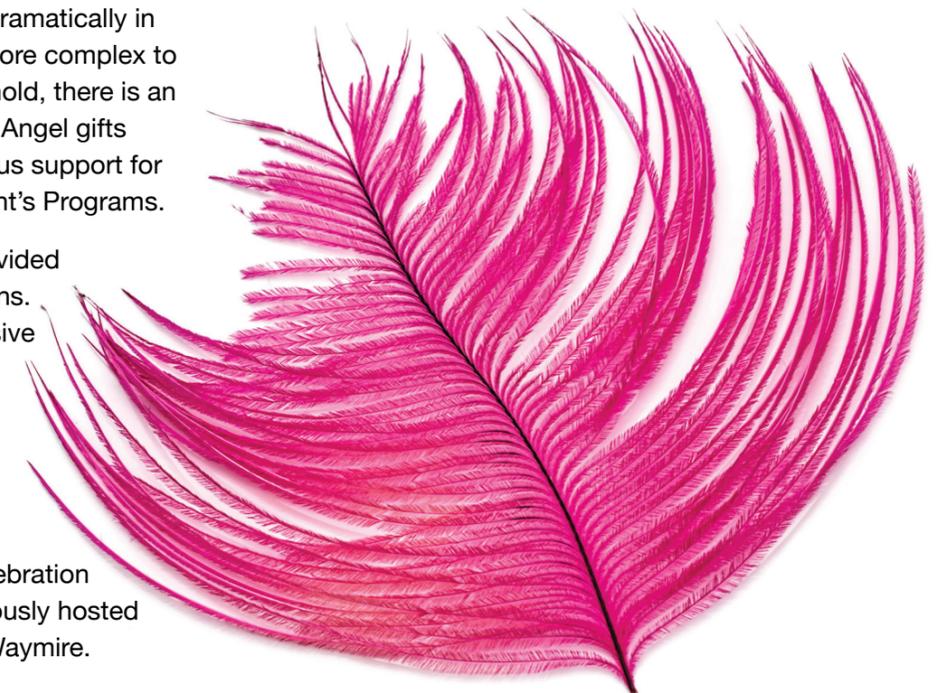

All Guardian Angels are invited; simply phone Christina at 416-847-6444 before May 9th to claim your seat!

If you are not yet a Guardian Angel, you can join the team with a one-time gift of \$1,400 or becoming a monthly donor of \$117. You too will be helping to provide cost-free treatment to people who otherwise can't afford it. You can make your gift online at renascent.ca/donate, over the phone by calling 416-847-6444, or by mailing in your cheque in the return envelope included with this newsletter.

See you there!

Fall 2019!

Happy 25th Birthday Recovery Shot!

It's happening: Recovery Shot has made it to its year 25th year, and we couldn't be more excited! We couldn't have made it to 25 without **you, and without our founding title sponsors, Ford and Unifor.**

Recovery Shot first began in 1995, championed by dedicated staff, board, and corporate partners.

Ed Harding, Manager of Strategic Initiatives and a Recovery Shot co-organizer: "In our first year, we raised \$23,000 and sold out two courses with 182 golfers. Everyone was there for the same thing, everyone knew about Rnascent and its magic, and they all wanted to be a part of breaking barriers, and supporting individuals and families in recovery."

Since 1995, Recovery Shot has raised a grand total of more than \$2.6 million! With these funds raised, we have been able to close the gap at a Guardian Angel level for nearly 2,200 individuals and their families.

Ryan Kerr, Community Engagement Officer and Recovery Shot co-organizer: "Whenever I call to let a previous year's sponsor know to save the date for this year's event, they always tell me how much they look forward to golfing with Rnascent again, and how much Rnascent and our mission means to them. We are literally golfing to give someone hope for a second shot at life. We're just getting started; this is going to be another record-breaking year, I can feel it!"

Recovery Shot is returning to Angus Glen Golf Club, an internationally recognized public golf course known for hosting PGA Tour events.

Join us this year either by participating individually, as a foursome, or as part of a corporate group. Not into golfing? You can play a huge role in the day's success by donating a silent auction item.

Thank you for supporting 25 years of golfing for a cause! We're excited to celebrate 25 years of making all the difference in the lives of people who need a little extra help to find a lifetime of recovery.

Call us at 416-847-6452 or send a quick email to events@renascent.ca for more information; **this is the year that you don't want to miss!**

Steps for Recovery

It's going to be our best year yet!

Renascent has been participating in the Scotiabank Toronto Waterfront Marathon (STWM) since 2009, which means that this year we're stepping into our 10th marathon!

We hope you'll be walking right there with us, as part of our team of Renascent staff and alumni.

We know the celebration is key, so join us for a post-walk breakfast!

"We must open doors, and we must see to it they remain open so that others can pass through." – Rosemary Brown

Renascent is looking for participants, sponsors, and volunteers for this event, so we have opportunities for involvement even if running or walking isn't for you.

Email us at events@renascent.ca to tell us why you'll walk for Renascent, or call us at 416-927-1202, ext. 4555. Visit us on Facebook for STWM updates: facebook.com/renascentcanada

We're stronger together. We're stronger with you.
