

**Acknowledgement of Congregate Living Setting at Renascent &
Client Responsibilities Related to COVID-19**

I, _____ (print first and last name), understand that I will be entering a congregate living environment to receive addiction treatment at Renascent.

Screening, physical distancing and infection control procedures have been implemented at Renascent to reduce the risk of COVID-19. I agree to abide by Renascent's procedures for physical distancing and infection control while residing in Renascent facilities.

I acknowledge that I will be required to take a follow up COVID-19 test at the end of my first week of inpatient residency and will be required to wear a mask during my stay in treatment unless otherwise instructed.

I also understand that I will be using a shared bathroom/shower during my treatment stay, and could have a shared bedroom for four or more weeks of my treatment stay.

In accordance with the Health Protection and Promotion Act of Ontario, Renascent would provide your name and phone number to Public Health officials up to 28 days after your completion of treatment, if required, due to a confirmed case of COVID identified in the centre at the same time as yourself. This information would remain confidential within Renascent and the Public Health agency.

I acknowledge that there is an increased risk of contracting COVID-19 in congregate living settings and that I will abide by the risk reduction procedures at Renascent.
